CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1878

Introduced by Assembly Member Jones-Sawyer

February 10, 2016

An act to amend Section 21623 of the Government Code, relating to public employees' retirement, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 1878, as amended, Jones-Sawyer. Public Employees' Retirement System: *state or school* members: postretirement death benefit.

The Public Employees' Retirement Law requires that, upon the death of any state or school member after retirement and while receiving a retirement allowance, the sum of \$2,000 be paid to the member's designated beneficiary, as specified. Existing law provides that the additional employer contributions required to fund this benefit be computed as a level percentage of member compensation, and these are deposited in the Public Employees' Retirement Fund, a continuously appropriated fund.

~~This bill, on and after January 1, 2017, would increase the amount of payment to school members, described above, to not less than \$5,000. The bill would authorize the Board of Administration of the Public Employees' Retirement System to adjust the death benefit amount following each actuarial valuation based on to reflect changes in the All Urban California Consumer Price Index, as specified.~~
